~~ About the Ranch ~~

The Ranch is a place where people of all ages can experience the blessing of getting to know "The Horse". An amazing creation of Beauty & Spirit with a Willingness to learn whatever you want to teach!

We choose to teach using Gentle & Patient methods establishing Trust, & Alpha position with the Horse. Praise with a release reward is given at the moment the Horse responds with the right answer!

The care that is given here at the Ranch is with Love and respect for this amazing animal, accompanied with necessary knowledge of the nutritional needs as well as the emotional need for time in the pasture with the herd.
